Re: Invitation to a workshop on IPv6 Deployment in Kigali, Rwanda from 22-23 May 2023

The ATU General Secretariat presents its compliments to your Administration and has the honour to invite you to a two-day workshop **on IPv6 Deployment** that will take place in Kigali, Rwanda from 22-23 May 2023. The workshop has been organized in collaboration with the AfriNIC.

The aim of the workshop is to provide government representatives with the necessary skills and knowledge to plan, drive and coordinate the deployment of IPv6 networks in their respective countries in line with the African Union Agenda 2063, the African Union Digital Transformation Strategy 2020-2030, and the ATU's vision for an Inclusive information society and strong digital economies for sustainable social economic and environmental development in Africa.

This workshop will precede the 24th Session of the ATU Administrative council meeting that will take place at the same venue from 24-26 May 2023 and you are welcome to attend the meeting as an observer.

This letter therefore serves as a kind invitation for your administration/organization to participate in the said workshop. The concept note and the draft agenda for the workshop are attached for ease of reference. Participants are kindly requested to register [here](#) for the workshop.

We look forward to the kind participation of your Administration and thank you for your continued support in ATU activities.

Yours Faithfully,

John OMO
Secretary General
